Barn Siding Country Window or Barn Siding Mirror.

No two mirrors look alike. Please tell us what you are looking for and we will do our best to handcraft something just for you. Most of the barn siding that we have is red or gray. The wood from the inside of the barn like this, is grey and worn but not as weathered. Hooks like on this mirror can be added for a minimal cost.

This Shaker Style Long Handle Step Stool is Very handy and easy to grasp. You don't have to bend over to get a step up! The Shakers liked to hang things on the wall to make more room on the floor. This Step Stool has a long handle with a hole in the end so it can be hung on the wall. But for us, non-shakers, it is just handy.

This Wooden Trash Bin is made to hold a tall kitchen trash bag. The top lifts off and when in place holds the bag in place and hides the edges of the bag. It works great. Simple but fantastic. Great to keep the pets out of the trash and even to keep the pet food in. We can also make an Oak Trash Bin if you like.
